PROFESSIONAL EXPERIENCE

Vocational Rehabilitation Counselor
Premier One Consulting – January 2024 – Present

Assist with constructing vocational reports for use in a variety of litigation, including but not limited to personal injury, estate, marital law, medical malpractice, workers' compensation, and wrongful termination cases. Conduct vocational interviews and administer testing to claimants. Perform a careful review of all records related to the case being litigated, including but not limited to medical and vocational records. Perform Job Analyses/Labor Market Surveys and calculate pre-injury and post-injury earning capacity. Use standard methodology, research, and data to support findings. Market services to attorneys' offices and correspond with attorneys regarding cases. Attend court hearings and observe the Vocational Expert provide expert testimony. Attend Social Security Disability hearings and observe the Vocational Expert provide vocational testimony.

Case Management Specialist
Luzerne / Wyoming Counties Drug and Alcohol Department – August 2021 – January 2024

Provide a full range of case management services to individuals with substance use diagnoses and comorbid disabilities. Coordinate access to treatment services and develop and implement a comprehensive service plan, including case management follow-up. Serve as clients' advocate, coordinating interprofessional care with various community stakeholders. Monitor treatment providers to ensure that quality services are being provided to clients. Provide necessary referrals for clients struggling with additional disabilities including but not limited to mental health diagnoses and medical conditions/complications.

Counselor
Clem-Mar House, Inc. – July 2017 – July 2021

Provide individual, group, family, and vocational counseling to individuals diagnosed with comorbid disabilities including substance abuse, mental health, and medical diagnoses or conditions. Implement therapeutic interventions including but not limited to Cognitive Behavioral Therapy, Motivational Interviewing, and Solution Focused Therapy to assist clients in meeting treatment plan goals/objectives. Assist clients in obtaining and maintaining employment and independent living skills. Maintain proper state documentation requirements including but not limited to progress notes and treatment plans.

Counselor

Pinnacle Treatment Center – May, 2016 – July, 2017

Provide individual, group, family, and vocational counseling services to individuals with comorbid disabilities including substance abuse, mental health, and/or medical diagnoses or conditions through an outpatient methadone maintenance rehabilitation program. Implement therapeutic interventions including but not limited to Cognitive Behavioral Therapy, Motivational Interviewing, and Solution Focused Therapy. Assist clients in meeting treatment plan goals/objectives and managing symptoms while implementing independent living skills such as obtaining/maintaining employment. Maintain proper state documentation requirements including but not limited to progress notes and treatment plans.
